TREE came to life in 2005, as four young musicians gathered up from the Israeli country side, growing up in a Kibbutz ,

TREE started its way as a mostly jam based band, gathering more original materials and still holding to the that spirit, Thus presenting the group you'll hear & see today .

2005 was a while ago, TREE has rooted itself widely through Israel, Also making it's way overseas, Their powerful sound and live performances gave the band the status of a rock movement with Deep Musical roots.

TREE is a familiar Sound, with a new artistic statement.

TREE has set a reputation of never playing the same show twice, with their ever-growing circle of followers attending to every performance, the crowd knows to expect the unexpected.
