

TREE

TREE's Tech-RIDER x5

If stage size is different we will settle accordingly.

TREE's stage equipment:

1.) DRUM SET –

- *bass drum – We bring the Pedal
- *floor tom
- *high tom
- *Drummer chair
- *snare drum stand
- * high-hat stand
- *at list 2 Cymbals stands – Crash & Ride

Personal Gear we will bring for the Drum set:

***Cymbals+high-hat**

***snare drum**

***bass drum pedal**

2.) 1 Bass amp MINIMUM 60w

3.) 2 guitar amps for guitar & keyboards

– please inform us about the amps in the Venue

IF THERE IS NO AMPS AND NO DRUM KIT IN THE VENUE

PLEASE INFORM US!!!

- 3 Microphones + cables + mics' stands for Guitar, Bass & keyboard stations,

-1 piano/bar chair for keyboard station.

- 1 "x" like keyboard stand.

- At least 1 big carpet for drum station.

- 2 boxes/stands for keys & guitar amps

- 4 monitors- 1 for each station

- electricity cables & plug-ins for effects/peddles for: keys, guitar & bass stations

-2 P.A speakers **please contact us if there is not a reasonable P.A system.**

If there is need for output stronger than an "amp volume"

_Must be on stage:

1 D.i. for bass station

2 microphones to amplify guitar & keyboard stations

Microphones for drum amplifications (will use what microphones the location have)

There must be at least 2 bottles of water for each station.

Please inform us of anything that is missing or for any changes.

Thank you
